## ▶ Kansas State Friends

I have no friends unless you count the cat, but I don't think he likes any one, including me. Just forget I said any thing.

Well we are not really friends but here she is.

**Beth Bradley:** She is in my class but I hardly know her.

## About Me:

[Smashthatcat@embarqmail.com](mailto:Smashthatcat@embarqmail.com)

As Imogene Herdman, I enjoy smashing our cat with the garage door. I only go to school because there is no one to beat up. I also like the Christmas Story.

I enjoy smashing our cat in the garage door and picking on my siblings. My siblings are Ollie, Claude, Leroy, Ralph and Gladys. Gladys is probably the most annoying, because she bites you no matter what you want to tell her. Our Mom works two shifts, so she isn't home much. All the people in the neighborhood try to avoid us and say we are a bad influence. We're just having fun! What do they want us to do? Watch grass grow!

**Great deal Alert!**

This a great deal! Do you ever want to be picked on? Well now you can! Just call on us and we will come on over and give you Black eyes, Broken legs, and many other things.

Prices start at just \$13 (an hour). If you live out of town, you will need to Supply your own airplane Tickets
